

# Hydrant Flushing Schedule 2023

Flushing of hydrants will take place the last Wednesday & Thursday of each month through November, weather permitting. Hydrant flushing may result in low pressure and rusty water. You may wish to avoid doing laundry on these days.

**April 26 & 27**

**May 24 & 25**

**June 28 & 29**

**July 26 & 27**

**August 30 & 31**

**September 27 & 28**

**October 25 & 26**

**November 29 & 30**
